Understory

Interior Details

A sanctuary of refined elegance where every detail is crafted with intention. This newly built residence showcases a harmonious blend of natural materials and bespoke finishes — no synthetics, just honest luxury.

The heart of the home features a custom Italian kitchen by Ernestomeda, designed for both function and beauty, while each spa-inspired bathroom is curated by Casabath, offering timeless design and artisanal quality.

Warm wood, stone, and textured surfaces invite a sense of calm, creating a space that is both elevated and grounded.

The kitchen features top-tier appliances from Wolf, Miele, and Sub-Zero—brands synonymous with culinary excellence and lasting performance. Every element is seamlessly integrated to support both everyday living and elevated entertaining.

Complementing the home's architecture, carefully curated furnishings by Minotti offer understated Italian luxury, balancing clean lines with exceptional comfort.

Perfectly situated in the coveted neighborhood of the Venetian Islands, Rivo Alto offers the rare luxury of walkability—just moments from renowned shops, dining, and cultural highlights. And at the pinnacle, a private rooftop terrace unveils breathtaking 360-degree views.
